THE WILLOWS WONDER
OCTOBER 2026

NOTICES

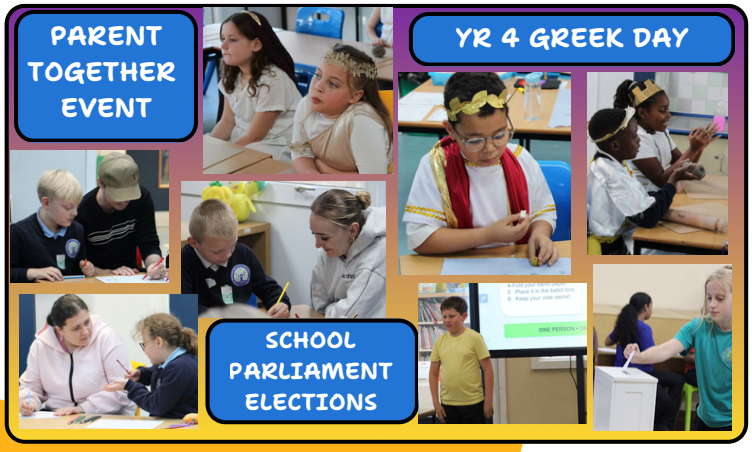

WELCOME BACK!

We are thrilled that, following elections, we have a **school parliament** who are now actively seeking their peers views on how to improve our school.

Our Prime Minister - Leo and Deputy - Madison have put a suggestion box in the library and are looking forward to hearing everyone's ideas.

MENTAL HEALTH MISINFORMATION

We all want to help our children, friends and family members when we have concerns about their mental health and the internet can be a great place to start seeking support BUT

How do you know if the advice being given online is good advice?
How do you check whether the person giving the advice is qualified to help?

Scan the QR code to reach a guide which gives some key things to consider when looking for mental health support.

If **you** need support - we are here and happy to listen or you can contact **The Samaritans** - 24 hours a day - call **116 123**.
